

AUTUMN 2010 REGISTRATION FORM
Course Timetable available at www.ucd.ie/genpract

UCD's Centre for Immediate Care Services provides courses that offer the knowledge and skills needed to deal with acute cardiac and trauma emergencies. Participants include general practitioners, practice nurses, ambulance personnel and other healthcare professionals. The multi-disciplinary teaching faculty includes general practitioners, nurses, paramedics and advanced paramedics.

Completion of BLS within the past 2 years is a pre-requisite for Immediate Care and Anaphylaxis Courses
